To Jennifer,
It was a good sport in
my science class. I guess
we had fun in there me
taking your books & stuff
you giving me your
answers. It was
all fun while it
lasted sorry to
see you & me
split apart
Well I guess one
other thing
we enjoyed
doing in her class
was putting those
letters together
Well I guess this is
Good-Bye Good
huck always/in
the future / and with
the guys. Hope to see
you sometime in the
future. I'll always remember
you wherever I go. So
take care and watch
out for the H-L-N-Ks

So you can get a
kissie. I'd like
to keep writing
you so if you'll
give me your address
in my annual

I'll write
every so often
One other thing
I hope
you &
April

will
forgive
me for stealing
your stuff. I
thought it was
pretty cool but
as I look back it was
kinda sad since you
didn't want me too
take it and I hate to
leave cause I'll miss you &
April since you were my best

friends in
science
Good luck
always & forever
